Packed and ready to go

Features of LG Mini

1. 10 mm thin, compact yet simplistically-chic design
2. LG Link@Air for wireless sync with a PC for easy resize, crop, save and update
3. Social networking made even easier with the Widget Home Screen
4. Easy-to-use high speed, multi-feature Webkit Browser
5. Upgraded S-Class User Interface for convenient screen customization
6. An exciting array of enhanced multimedia functions for your enjoyment

Keeping your eyes off it won't be easy

First your eyes are drawn to its attractive compact simplicity. Then your fingers are on its sheer power and abundant features. And pretty soon you just can't keep your hands off the LG Mini.

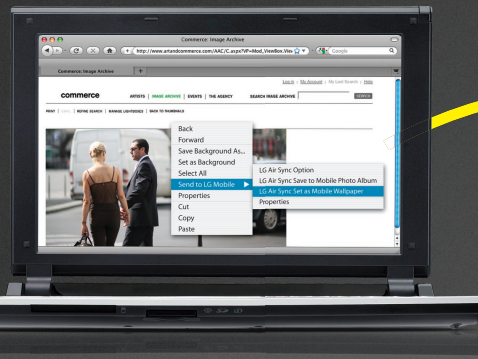

Easy-to-Use LG Link Air

(PC+Web+Mobile)

- LG Link Air R-Click: a simple click to select, resize, and crop from a PC or a website, and send directly to your LG Mini

Web Browser on PC

Resize / Crop on PC

Mobile Wallpaper

A More Sociable, Friendlier SNS Function

- Access to your favorite social networking sites via the Widget Home Screen
- Direct upload of photos and other files to websites from your LG Mini

An Enthralling Array of Multimedia

Features for Your Mobile Life

- A 3.2-inch WVGA wide full touch screen with hybrid LCD for clear, detailed display
- HSDPA speed or Wi-Fi web browsing convenience
- The slimmest 5MP camera with face detection feature, as well as beauty shot and panorama shot
- Dolby Mobile and 3.5 mm ear phone jack for an enhanced music experience

Extremely Browsing-Friendly

Webkit Browser

- Minimal waiting time with high-speed webpage loading, with Flash and Java support
- More legible texts and details through Intelligent Zoom and Touch Magnifier
- A convenient way to look up information via the Text Search feature
- Multiple window support for quick web browsing
- Added features, including Seamless multi-touch and Input Method Editor

A Compact, Uncluttered and

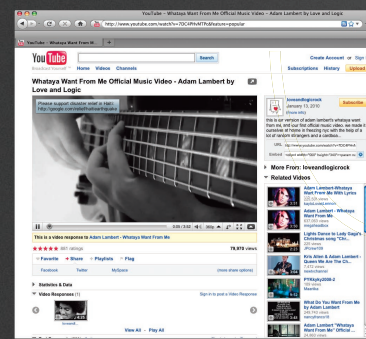

Stylishly-Chic Design

- No external button clutter
- The most compact 3.2-inch full touch-screen phone with the narrowest bezel (3.5 mm) around
- Ultra slim design at only 10mm thin
- An eye-catching tempered-glass, metallic finish

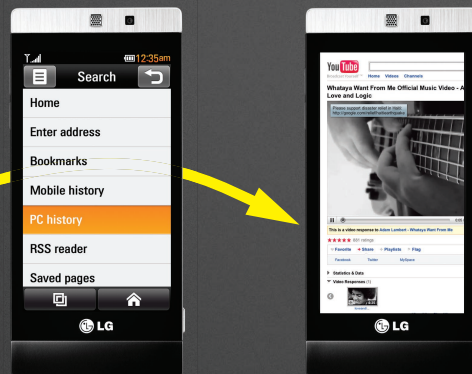

- LG Link Air History Sync: automatically updates websites visited on a PC to the mobile browser on your LG Mini

Web Browser on PC

Webpage histories visited on PC

URL history in mobile browser

-URL histories saved to mobile browser thru Web Sync server
