

LG Product Information Fact Sheet

2009 Good Food & Wine Show

July 2009

LG BUILT-IN MULTI FUNCTION LCD OVEN - EM790SP

(SRP: \$3,999)

LG's top of the range, European inspired Multi Function LCD Oven (EM790SP) features a large 65L capacity, built with cutting-edge technology such as Speed Cooking, Pyrolytic Self Cleaning and 129 built in recipes. With its unique halogen heater, this state-of-the-art appliance gives the option of speed cooking, which enables you to cook up to 2 times faster than a conventional electric oven. With these innovative features, you can enjoy spending less time in the kitchen and more time with your family and friends.

Features:

- Large 65L capacity
- 4" LCD full colour display
- Speed Cooking with Lightwave Technology
- 16 Cooking Functions
- Pyrolytic Self Cleaning
- Cool Door with quadruple glazed full glass door
- 129 built in recipes, 40 AutoCook menus and 10 Speed Cook menus
- Fold down top grill
- Meat probe and rotisserie

LG FREESTANDING COOKER - MULTIFUNCTION OVEN AND GAS HOB - LF96105SS

(SRP: \$2,999)

LG's stylish 900mm Freestanding Cooker (LF96105SS) provides a large 109L capacity oven with multiple shelf positions and 5 gas burners to accommodate all cooking needs for large families. This European designed appliance offers 6 cooking functions to cater for versatile cooking styles, and with smart LED display, functionality is a breeze. (Available in Aug. 09)

Features:

- Large 109L capacity with 4 shelf positions
- Smart LED Display
- 6 Cooking Functions
- 5 Gas Burners including 1 Wok Burner
- Flame failure device

LG BUILT-IN WIDE DOUBLE OVEN - LD61105SS**(SRP: \$2999)**

LG's built-in double oven (LD61105SS) provides the ideal solution for simultaneously cooking multiple and varying dishes. With its 12 cooking functions and numerous shelf positions, this stylish double oven offers increased diversity allowing you to cook various meals at the same time, such as a roast dinner while baking a cake. (Available in Aug. 09)

Features:

- 86L Capacity (35L in upper oven + 51L in lower oven)
- Smart LED Display
- 12 Cooking Functions (4 in upper oven +8 in lower oven)
- Catalytic Liner
- Triple Glazed Door

LG BUILT-IN WIDE OVEN - LW91105SS**(SRP: \$2,799)**

LG's wide 900mm oven (LW91105SS) provides more width for larger dishes and rotisserie cooking for perfectly cooked meat. With its stylish European design and smart technology, this integrated stretch oven provides the ideal cooking solution for any modern kitchen. Its smart LED display with electronic clock and timer makes preparing meals easy. (Available in Aug. 09)

Features:

- Oven Capacity - 70L
- Smart LED Display
- 6 Cooking Functions
- 3 Shelf Positions

- Catalytic Liner
- Double Glazed Door

LG INDUCTION COOKTOP - KA68030A

(SRP: \$2,874)

LG's 600mm Induction Cooktop (KA68030A) offers 9 different power levels, so you can cook with precision, while further increasing the speed of cooking by featuring a special booster function that ensures a rapid heat build-up. LG's Induction Cooktop also features the unique Visual Cook Zone safety feature to indicate the plate or hob in operation. The Cooktop features LG's 'one touch simmer' - a function that brings the burners to a lower heat with the simple touch of a button, before reverting to the previous heat when re-set. This feature is a convenient way to cater for the many distractions that can occur while cooking!

Features:

- 4 Induction Burners with Booster function
- 9 Power Levels for precise cooking
- Visual cook zone - indicates that the plate or hob is in operation through the visual display of zones
- One Touch Simmer function - lowers and returns heat at the touch of a button

LG SOLARDOM LIGHT WAVE OVEN - MP9483SLA

(SRP: \$999)

LG SolarDOM Light Wave Oven in classic Stainless Steel Fascia (MP-9483SLA) is designed to accommodate the busy modern lifestyle. It offers versatile cooking with 3-in-1 cooking solutions - oven, grill, oven and microwave, and with its unique halogen heater it gives an option of speed cooking which enables you to cook up to 3 times faster than a conventional electric oven. This means that cooking time is reduced and thanks to the Light Wave Technology, moisture and nutrients are contained within the food resulting in nutritious, tender and juicy meals. Finally, with LG Round Cavity, LG SolarDOM Light Wave Oven offers the convenience of more usable space and easy cleaning.

Features:

- 34L Round Cavity with 405mm Turn Table
- Stainless Steel Fascia
- 3-in-1 Cooking Solution - Oven, Grill and Microwave
- Speed Cooking with 12 Speed Cook Menus
- Smart control panel with easy guide system
- Round Cavity for more usable space and easy cleaning

LG FOUR DOOR FRENCH DOOR FRIDGE - GR-L219STS**(\$3,999)**

The LG Four Door French Door Fridge (GR-L219STS) makes it easy for consumers to cool those larger items with wider width and more useable space, as well as multiple storage compartments for ease of organisation. Available in full stainless steel finish, the Four Door French Door Fridge also features LG's indoor ice maker technology, with the ice maker located on the inside of the door. This practical design feature provides added space in the fridge and frees up valuable room in the freezer compartment, while also allowing easy access to ice.

Features:

- Multiple Storage Compartments for ease of storage organisation
- Wide Internal Width 800mm for larger platters
- In-door Ice Maker - the ice maker is located on the inside door freeing up valuable space in the freezer food compartment for more usable space
- Tall Ice and Water Dispenser - for easy access to ice and water, allowing you to fit a bottle up to 600ml effortlessly
- Bioshield - an anti-bacterial seal that allows the fridge to maintain optimal freshness, preventing mould and mildew
- LED Lighting - for brighter viewing

LG DISHWASHER - LD-1420T1**(SRP: \$1,049)**

LG's new, innovative dishwasher with Slim Direct Drive Motor (LD-1420T1) was launched in March this year. Offering the latest in smart technology from LG, the Slim Direct Drive Motor allows room for larger plates, crockery and serving dishes to fit in one load. The Direct Drive Motor also

comes with a 10 year warranty (2 years parts and labour + 8 years on motor part), affording customers confidence in the quality of their LG dishwasher.

Features:

- 14 Place Settings
- Vario Wash System - alternates water between the top and bottom arms for a more powerful spray
- Half Load Option - this program can be selected when you want to use the dishwasher even if it's not full. With this option, either the upper and lower basket alone can be selected to wash smaller loads to save you time
- Flexible Basket System - Adjustable racks in both the upper and lower baskets enable you to easily cater for dishes of all shapes and sizes. Long stemmed glasses are easily accommodated and a knife rack ensures large knives can be safely tucked away
- Hybrid Drying System - Combines ventilation and condensing drying for optimum drying results
- UV Lamp - The UV lamp is activated during and after the wash cycle and during the dry cycle to reduce bacteria
- Extra Hot - During the rinse cycle, water temperature rises up to 80 degrees, providing a more hygienic wash
- Triple Spray - Triple Spray provides a better performance and cares for your dishes with a Spray Intensity Option. You can select different water pressure levels, soft, normal and strong for either a delicate for a stronger wash
- Water Rating- WELS 4 Star/13.9 Litre per wash
