Available: May 2014
RRP^: $799

Aramid Fibre Speakers

LG has utilised Aramid Fibre in the midrange speaker cones, this inclusion improves the durability and strength of the speaker cone for clear powerful sound.

Wireless Rear Speakers

The rear speaker audio signals are transmitted wirelessly to the rear receiver module, reducing messy wires from the front to the rear of the room.

Bluetooth Streaming

Enjoy your favourite music on mobile devices through the LG Home Theatre system with wireless audio streaming via Bluetooth® technology.
