- ✓ 2 x Side Brushes
- ✓ Lithium Polymer Battery
- ✓ 60dB Noise Level
- ✓ Remote Control
- ✓ Voice Alert
- ✓ Docking Style Charger
- ✓ HEPA 11 Filter

Zig Zag Mode

LG's **Zig Zag** mode is great for large areas with few obstacles, i.e. Bedrooms, bathrooms, etc. The Roboking will move back and forth until it meets an obstacle. After completing, it then returns to the charging station.

Easy Maintenance

Easy Maintenance - The easy out dust bin cover, makes it very easy to access the dust bin. This makes cleaning and emptying a breeze.

Slim Design

LG's **Slim Design** measures only 89mm in height. This means the Roboking is small enough to fit under furniture and even clean those hard to reach places.

Digital Bumper

LG's **Digital Bumper** - LG's Roboking Square features a digital bumper that has 4 ultrasonic sensors which detects objects ahead to avoid collisions.
