RRP: \$1,399<sup>^</sup>

### Features

- ✓ 6 Motion Wash Technology
- ✓ 9.5kg Capacity
- ✓ Inverter Direct Drive Motor System
- ✓ On-Board Heater
- ✓ Smart Diagnosis™ 2.0
- ✓ Transparent Glass Lid
- ✓ 950rpm
- ✓ Full Stainless Steel Tub
- ✓ 12 Washing Programs with 6 Options

### Inverter Direct Drive Motor

**LG Inverter Direct Drive Motor** - combines the direct drive motor with inverter control to provide an ultimate washing experience

**Less Noise** - with less moving parts compared to other motor systems it creates less noise

**Greater Durability** - the direct drive motor system is at the heart of the machine, that's why you get LG's 10 Year Parts Warranty on Inverter Direct Drive Motor.

### On-Board Heater

**The On-Board Heater** allows this Top Loader to achieve a 60°C washing temperature when you need it, like when your washing sheets or towels. Higher temperatures help remove common household allergens and stubborn stains.

### 6 Motion Wash Technology

**LG 6 Motion Wash Technology** - LG washers use a combination of 6 motions, based on hand-washing, to wash your clothes. Simply choose a cycle. Your washer works out the best combination to give you an outstanding wash, whilst also caring for your clothes.

### Stainless Steel Tub

**LG's Stainless Steel Tub** is more effective to help control bacteria growth than tubs made of plastic or containing plastic agitator or pulsator. A hygienic tub helps maintain a hygienic wash.
