

ELECTRIC DRYERS

DLE2701V

Performance

- Extra Large Load Capacity with NeveRust™ Stainless Steel Drum (7.4 cu.ft.)

Intelligent Fabric Care

- Sensor Dry System for Intelligent Fabric Care and Energy Efficiency
- 12 Drying Programs
- 5 Temperature Levels
- Precise Temperature Control with Variable Heat Source
- Drying Rack
- Wrinkle Care Option
- Delicate and Ultra Delicate Cycles
- Custom Program

Style and Design

- Upfront Electronic Control Panel with Dual LED Display and Dial-A-Cycle™
- Large Stainless Steel Door with Clear Glass

Technology Benefits

- LoDecibel™ Quiet Operation

NSF certifies the SANITARY course which is intended for reducing 99.9% of bacteria and other harmful microscopic organisms on laundry.

Graphite Steel

ELECTRIC DRYERS

Intelligent Electronic Controls with Dual LED Display and Dial-A-Cycle™

Intuitive controls allow you to 'set it and go'. You can also save your favorite dry cycle by pressing Custom Program. You'll have optimized drying performance with the push of a button.

FlowSense™ Duct Clogging Indicator

Detects lint build-up and decreased airflow in the duct system and signals that the duct should be cleaned.

Sensor Dry System

Measures moisture in the drum during the cycle, then automatically adjusts the drying time and temperature for optimal fabric care.

Stackable or Side by Side?

Your choice. Less space? Try stacking the washer and dryer. More space? Place them side by side or under a counter. Don't want to bend down so far to load or unload clothing? Add our 13.7" high drawer pedestals. They're also a great place to store laundry detergent supplies.
