

FRONT LOAD WASHERS

White

WM1333

Performance

- 2.34 cu.ft. Capacity
- DirectDrive™ Motor for the Ultimate in Durability and Reliability
- 1300 RPM Maximum Spin for Efficient Water Extraction
- Built-in Water Heater

Intelligent Fabric Care

- SenseClean™ System for Intelligent Fabric Care, Water and Energy Efficiency
- 10 Washing Programs
- 4 Temperature Levels
- 3 Tray Detergent Dispenser
- Delay Wash by 19 hours for Washing Convenience

Style and Design

- Upfront Electronic Control Panel with Dial-A-Cycle™
- Chrome Rimmed with Glass Door

Technology Benefits

- LoDecibel™ Quiet Operation
- Highly Energy and Water Efficient

LG front load washers exceed Energy Star classifications by a minimum of 39%.

FRONT LOAD WASHERS

DirectDrive™ Motor

Power is delivered right to the drum from the motor without belts, resulting in a highly durable, powerful and quiet washing machine.

SenseClean™ System

The water level and wash time are set automatically based on the weight and size of each load for optimal washing care.

LoDecibel™ Quiet Operation

Direct Drive and auto balancing reduced noise dramatically compared to conventional motors.

Water Heater

For the whitest whites without bleach! LG's water heater boosts water temperatures to 75° C/ 167° F on the Sanitary cycle.

NeveRust™ Stainless Steel Drum

Since the washer drum is stainless steel, it won't chip, rust, or transfer stains from the drum to the fabrics.
