

FRONT LOAD WASHERS

WM3550

Performance

- 5.0 cu.ft. Ultra Capacity with NeveRust™ Stainless Steel Drum (IEC)
- DirectDrive™ Motor for the Ultimate in Durability and Reliability
- 10° TilTub™ for Easy Reach into the Rear of the Drum
- 1300 RPM Powerful Spin for Efficient Water Extraction

Intelligent Fabric Care

- 6Motion™ Technology
- ColdWash™ Technology
- TrueSteam™ Technology
- Allergiene™ Cycle
- SteamFresh™ Cycle
- TrueBalance™ Anti-Vibration System
- SenseClean™ System for Intelligent Fabric Care
- SmartDiagnosis™
- Magnet Ventilation
- 12 Washing Programs and 5 Temperature Settings
- Sanitary Cycle with Added Steam Option
- Delay Wash up to 19 hours for Washing Convenience

Style and Design

- Upfront Electronic Control Panel with Dual LED Display and Dial-A-Cycle™
- Large Chrome Rimmed Glass Door with Dark Blue Tinted Cover

Technology Benefits

- LoDecibel™ Quiet Operation
- Highly Energy and Water Efficient

NSF certifies the SANITARY course which is intended for reducing 99.9% of bacteria and other harmful microscopic organisms on laundry.

LG front load washers exceed Energy Star classifications by a minimum of 39%.

FRONT LOAD WASHERS

TrueSteam™ Technology

LG's TrueSteam™ generator creates real steam to penetrate and release dirt from fabrics with enhanced cleaning performance, even on the most delicate fabrics. It offers a freshening cycle that reduces wrinkles and odours.

Ultra Large Capacity (5.0 cu.ft.)

Towers of towels, piles of sweatshirts, and a mountain of jeans? Go for it. The ultra large capacity (5.0 cu.ft.) tub lets you do more laundry in fewer loads. That's time saved and sore backs avoided

6Motion™

Get your clothes cleaner and help them last longer with revolutionary 6Motion™ technology. Each wash cycle combines up to 6 different wash motions to provide outstanding cleaning while being gentle on fabrics.

ColdWash™ Technology

Now using the cold cycle on your washer doesn't mean compromising how clean your clothes are. ColdWash™ technology uses cold water and enhanced washing motions to penetrate deep into fabrics, giving you cold water savings with warm water performance.

Smart Diagnosis™

It's unlikely you'll experience any problems with your LG washer, but if you ever do, this feature helps the service centre diagnose problems over the phone, helping you minimize costly, inconvenient service calls.

Direct Drive Motor 10 Year Warranty

When you buy a washer, you don't want to worry that it won't last. Because the Direct Drive Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.
