## Table of Contents

| . 4Q 2005 Results
II. Performance and Outlook by Sector
III. 2006 Business Direction and Prospects

- Sales increased sequentially but decreased $5.2 \%$ YoY due to Won appreciation and expansion of overseas production.
- With the exception of digital display, profitability in all divisions increased YoY, but due to seasonality and profit deterioration at digital display QoQ earnings declined.

* EBITDA : Operating Profit + Depreciation \& Amortization
- Appliance revenue declined QoQ due to seasonality, while handset / PDP sales rose.
- Profits deteriorated QoQ in display products (TV, monitor) due to sharp price decline, while handset profits increased due to new product launch and strong sales of WCDMA.
