Comprehensive Solutions for Hospitality

Now, you can manage your hotel more easily and efficiently with Pro:Centric® V Series helping your guests to have more comfortable and convenient experience in their hotel room. You can also operate all guest room TVs with centralized management on one system while saving cost and workforce.

Full features are available when connected to the Pro:Centric® Server.

LX330H
LX320H

Pro:Centric® V

- PMS Interfaced Service : Welcome Message with Guest Name, Auto Language Setting, Billing Information
- Advanced Wake-up Time, Weather, Map
- Embedded Customizable Templates
- 8 Hotel Channel Spooling
- EzManager 2.1 for quick and simple TV settings
- Remote Management via RF

Enhanced Guest Experience

Provides the ability to differentiate guest room experiences with customizable billboards and a personalized welcome page enabled by the Property Management System.

Features :

- Welcome Video/Screen
- PMS Interfaced Service : Welcome Message, Auto Language Setting, Billing Information
- Advanced Wake-up Time, Hotel Information, Weather, Map

Easy Content Creation & Management

Enables centralized and intuitive in-room TV control from the TV settings to content creation and updates.

Features :

- Embedded Customizable Templates
- 8 Hotel Channel Spooling

Optimized Total Cost of Ownership

Optimize TCO with Pro:Centric® by removing additional Set-top-box, by saving workforce and time for manual management for individual TVs and development & management cost for hospitality solutions.

Features :

- EzManager 2.1 Management
- Remote Management via RF

Other Hospitality Features

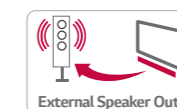

With the capability to display various video formats* as well as images, Commercial TVs allow for a greater variation of greeting messages in hotel rooms which make customers feel more welcome and cared for. * mp4, avi, mov, tp, wma, ts etc.

Clone all commercial TVs with astonishing speed and ease. The USB Cloning feature allows you to simply copy the TV settings to all TVs in hotel rooms using a USB stick, a process that is fully automated to save time without having to set each TV individually.

Guests can enjoy their own content on TV screens from their own mobile devices, tablets and other portable devices with MHL (Mobile High-Definition Link).

The external speaker out function lets users enjoy the external speaker in a separate place such as the bathroom.

One Channel Map feature allows users to edit and list the channels of their choice from any of the multiple broadcasting signals.

* Hospitality features available without the use of the Pro:Centric® Server.

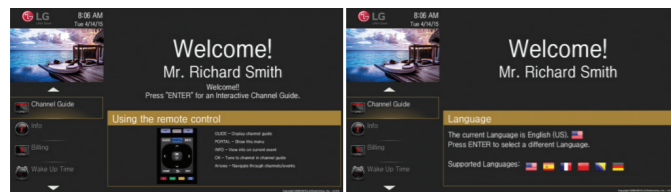

The Pro:Centric® Application enabled with the Pro:Centric® server provides customizable templates. With those templates, hoteliers can add the hotel branded portal pages and channels. It also offers guest-centric services, such as a Welcome Page with the guest's name, Auto Language Setting and Billing Information with the Property Management System (PMS) interface.

Enhanced Customer Experience

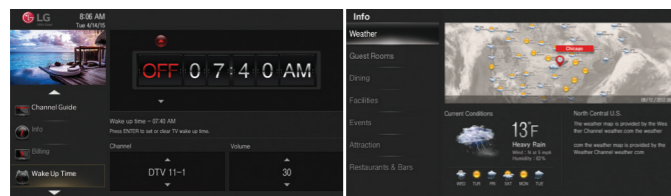

Personalize the page with the Pro:Centric® Applications (PCA) which improves guests' in-room experience as well as providing a variety of additional features conveniently just for your customers

Welcome Page

Multi Language Support

Wake-up Setting

Weather Information

• Personalized Pages

When linked with the Property Management System, it provides a Welcome Page with the guest name, Multi Language Support Setting and Billing information with the guest's name.

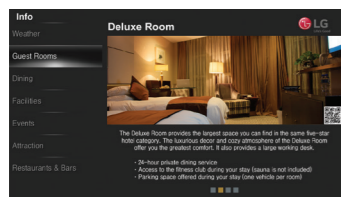

• Various Additional Features

PCA serves the convenience of the guest through a Wake-up setting, Weather Information, Map Service, and much more functions that you can choose from

Easy Content Creation & Management

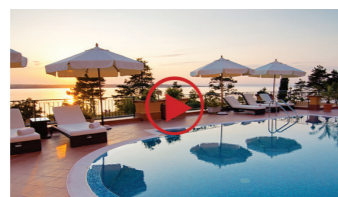

Pro:Centric® allows you to create your own content and manage up to 8 hotel channels which can be specialized for your property. It provides you a solution that easily customizable for your Hotel Service.

• Customizable Pages

8 sections with 40 pages of billboards can be made with the web based editing tool.

• Hotel Channel Spooling

Operation of up to 8 hotel channels can offer various information and added services.

MyPro:Centric® enables our partners to create their own contents based on a various SDK such as Java and flash, which gives flexibility for unique and different hospitality service.
