Pro:Centric® V

LV340H (MEA)

Comprehensive Hospitality Solution with Pro:Centric® V

Now, you can manage your hotel more easily and efficiently with Pro:Centric® V series TV models. All guest room TVs can be configured and/or updated via a centralized management system, and newQuick Menu which is embedded in the TVs, provides simpler but essential menus without the need of a server. With this cost-efficient Pro:Centric® V series, save cost and workforce while helping guests have a more comfortable and convenient experience in their hotel room.

LV340H

- Pro:Centric® Application
- Embedded Customizable Templates
- Multiple Channel Spooling
- <sup>NEW</sup>Quick Menu
- EZ-Manager for quick and simple TV settings

\*Full features are available when the model is connected to the Pro:Centric® server.

screen size

32", 43", 49", 55"

\* Front color may differ by its inches.

Key Features

Enhanced Guest Experience

Pro:Centric enables to differentiate guest room experiences with customizable billboards and Electronic Program Guide(EPG) which easily navigates TV channels and program.

Features

- Hotel Information, Weather, Map, Advanced wake-up time setting
- EPG
- PMS Interfaced Service ready

Easy Content Management

Pro:Centric enables centralized and intuitive in-room TV control from the TV settings to content creation and updates.

Features

- Embedded Customizable Templates
- Up to 8 Hotel Channel Spooling
- <sup>NEW</sup>Quick Menu

Optimized Total Cost of Ownership

Optimize TCO with Pro:Centric® by saving workforce and time for development & management cost for hospitality solutions.

Features

- EzManager for more efficient initial configuration
- Wake on RF

Hospitality Features

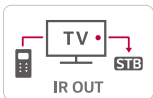

Welcome Screen/Video

With the capability to display various video formats\* as well as images, Commercial Lite TVs allow for a greater variation of greeting mes sages in hotel rooms which make customers feel more welcome and cared for. \* mp4, avi, mov, tp, wma, ts etc.

Self Diagnostics

Enable service engineers to recognize technical issues of a TV quickly and easily through a USB. The TV stores any technical issues encountered and can output them to a USB device.

IR OUT

Just connect your interactive set-top-box to LG Commercial TV. With a single remote control, the LG TVs in your hotel solution fall under your control.

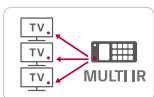

External Speaker Out

Enhance the entertainment experience by adding an additional speaker. Guests listen to and control the TV audio from anywhere in the business areas, including restrooms.

One Channel Map

One Channel Map feature allows users to edit and list the channels of their choice from any of the multiple broadcasting signals.

Multi IR

Multi IR function eliminate the remote control signal interference between TVs in multiple dwelling beds.

\* Hospitality features available without Pro:Centric® Server.

# Comprehensive Hospitality Solution with Pro:Centric®

## Pro:Centric® V LV340H

Pro:Centric® V

MEA

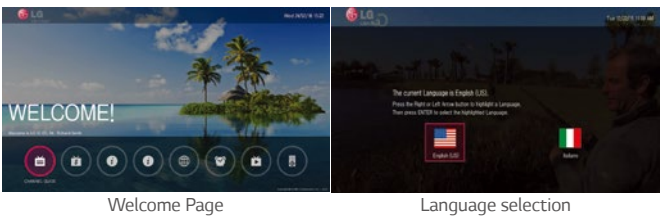

The Pro:Centric® Application enabled with the Pro:Centric® server provides customizable templates. With those templates, hoteliers can add the hotel branded portal pages and channels. It is also ready for guest-centric services, such as a Welcome Page with the guest's name, Auto Language Setting and Billing Information with the customizable billboard and map pages, etc.

### Pro:Centric® Features

#### Enhanced Customer Experience

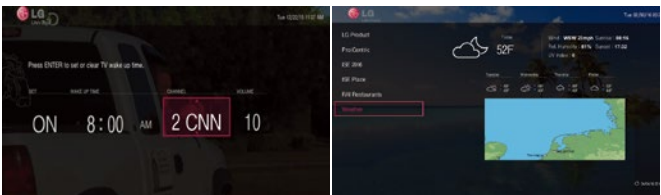

Personalize the page with the Pro : Centric® applications(PCA) which improves guests' in-room experience by providing a variety of additional features conveniently just for them.

Welcome Page

Language selection

Wake-up Setting

Weather Information

#### • Personalized Pages

When linked with the Property Management System, it provides a Welcome Page with the guest name, Auto Language Setting and Billing information with the guest's name. (From 2016, Arabic, Hebrew, Persian language are also available)

#### • Various Additional Features

PCA serves the convenience of the guest through a Wake-up setting, Weather Information, Map Service, and much more functions that you can choose.

#### Easy Content Creation & Management

You can now differentiate your hotel with our customizable templates pages which can be specialized for your property.

#### • Customizable Template & Page

Choose an alternative look & feel template based on your preference, and edit multiple sections with 40 pages of billboards by yourself with the web based tool. (Max 15pages/section Available)

#### • Multi Channel Spooling

Operation of up to 8 hotel channels (22 sub-channels) can offer various information and added services.

### Quick Menu

You can now enjoy LG's simple home menu solution, Quick Menu. It provides editable welcome message, date/time and other frequently used menus in the form of bar. These can be all set with a remote control or USB, and guests are able to easily access the menus they want improving satisfaction of their stay.
