Welcome Screen

Having a warm greeting message with Hotel name and its logo on the TV when customers enter their rooms will let them feel more welcomed and cared for. A little thing can make a big difference.

USB Auto Playback

LG Commercial TVs recognize playable contents in external storages and play them automatically and repeatedly.

MHL (Mobile High-Definition Link)

MHL connects smart phones to the TV instantly, mirroring content in HD quality, just like connecting a PC through an HD cable. Moreover, it allows you to control the phone's content on the TV with a remote control.
