

01 CINEMA 3D

Most Comfortable 3D Glasses

CINEMA 3D glasses are light, battery-free, neat and economical, allowing for greater viewing comfort and convenience.

COMFORTABLE

Flicker-Free 3D

Unlike conventional 3D TV, LG CINEMA 3D Smart TV is certified flicker-free, and provides brighter 3D pictures. It's easier on the eyes, while providing clear and crisp 3D pictures with no blur.

Flicker Free 3D

3D Sound Zooming

The complete 3D TV is here with 3D sounds, fully synced with the 3D images onscreen. Your 3D experience has just gotten even realer.

3D Sound Zooming

3D Depth Control

Watch 3D in either more comfort and more thrill - it's your choice. With 3D Depth Control, you can control the level of 3D effect to enjoy 3D the way you want it.

3D Depth Control

3D World

Quickly and easily find 3D video clips to enjoy via 3D World.

3D World

Dual Play

An added benefit evolved from 3D technology, Dual Play enables both you and your friend to play video games together in full screen without having to split the screen.

DUAL PLAY

MAGIC REMOTE

Home Dashboard

LG Smart TV's all-new Home Dashboard comes with an improved design and look, more simplicity, and more room for customization.

Home Dashboard

Dual Core Smart TV

The 1GHz Dual Core CPU inside selected 2012 LG Smart TV makes it the fastest smart TV that exists, greatly enhancing internet speed, excels multi tasking between applications and boosts web browsing performance, just like a PC. The Quad Core GPU allows 3D effect games on TV without any buffering.

Dual Core

Premium Content Provider

The Premium Content card selects and categorizes the most popular and useful content in your country, provided via partnership with the best content providers. Enjoy whatever you want whenever you want.

Premium Content

Social Center

Just like a smart phone, LG Smart TV also offers SNS with Social Center, an app that you can use to tweet or facebook your friends while watching TV! It will be like watching TV with your friends, no matter where they are.

Social Center

Smart Share Plus

Browse and share files in your external storage devices on your TV screen wirelessly, connect your phones via Wi-Fi, and watch TV on your smart phone with LG Smart TV's Smart Share Plus. Enjoy the benefits of a true Smart TV that connects to other devices more easily than ever.

Smart Share Plus

03 CINEMA SCREEN

A Style that is all the envy of your friends

Add a touch of sleek, modern style to your interior with LG's remarkable CINEMA SCREEN design.

CINEMA SCREEN

With it's almost zero bezel, ultra slim escutcheon and neck-less floating stand, LG Cinema Screen delivers uninterrupted viewing experience.

*** Seamless, Edge-to-Edge Simplicity**
 It's 5mm ultra slim escutcheon let's you indulge in the most immersive viewing experience on a beautiful, unconstrained widescreen.

**** Elegant, Stable Pedestal**
 LG's authentic pedestal delivers both stability and beauty to your viewing experience.

CINEMA SCREEN

Immersive 3D Experience with CINEMA SCREEN Design

The best way to enjoy both 2D and 3D movies is at the Cinema, with its expansive and absorbing screen that has no frame, no obstruction. Now, here's a TV that brings the same, cinematic viewing experience to your home.

CINEMA SCREEN

Note: Smart TV application is an internet based service, internet connection is required. Web browser supports Flash 10.0 and HTML 5.0.
