

LG ELECTRONICS EARNS ‘BEST OF THE BEST’ CES 2017 HONORS FOR LG SIGNATURE SERIES W7 ‘WALLPAPER’ TV

Technology Leader Receives More Than 120 CES Awards & Honors

LAS VEGAS, Jan. 8, 2017 – LG Electronics (LG) won more than 120 awards at CES® 2017, leading the way with the coveted, official Engadget CES Best of the Best Awards, for LG’s revolutionary new LG SIGNATURE W7 OLED 4K TV complemented by a variety of best-of-show honors for the W7 and LG Smart InstaView™ refrigerator.

LG was the recipient of top accolades from Better Homes and Gardens, Men’s Health, The Verge and Reviewed.com, amongst others, adding to the 21 CES Innovation Awards from the Consumer Technology Association (CTA™) across home appliance, home entertainment and mobile communications categories.

“We are constantly striving to deliver value to our customers, so it's a tremendous honor to see our W7 Wallpaper TV named one of the most awarded products at this year's CES,” said William Cho, president and CEO, LG Electronics USA. “From seemingly impossibly thin televisions to reimagined refrigerators and wearable surround sound, we’ve challenged ourselves and have been able to deliver products that will set the standard for the industry this year.”

LG unveiled brand new LG SIGNATURE products at CES 2017, including the LG SIGNATURE OLED TV W-series which leads wins with over 40 awards, employing a show stopping, entirely new Picture-on-Wall design. The LG Smart InstaView refrigerator followed in award wins, featuring a 29-inch touch LCD display, Amazon’s Alexa Voice Service and a host of WiFi-enabled features.
