DISHWASHERS

LDF8812

Capacity

- XL Tall Tub holds up to 16 place settings at once
- DuraGlide™ Gliding Upper Rack
- Design-A-Rack™ System allows for maximum loading flexibility
 - Adjustable Upper Rack allows storage of 12" plates in the upper rack
 - Folding Tines & Removable Tines make instant room for larger items
 - 3 Cutlery Baskets can be snapped together or separated for placement in either the Upper or Lower Racks
 - Stemware Holder secures wine glasses, goblets and champagne flutes or serves as a double decker rack for storage of smaller cups

Performance and Conservation

- Dual Intensity™ Wash Cycle
- Premium LoDecibel™ Quiet Operation
- SenseClean™ Washing System
- 6 Wash Cycles with 3 Spray Arms
- Sanitary Rinse Cycle
- Half Load Cleaning
- Multi-Level Water Direction
- Detergent and Auto Rinse Dispenser with Rinse-Aid Refill Indicator
- Hybrid Drying System
- Slim Direct Motor
- Disposer/Self-Cleaning Filter
- Delay Start up to 24 hours

Style and Design

- Signalight™ LED Cycle Indicators
- IllumiTub™ Dual LED Tub Lights
- Fully Integrated SoftTouch LED Control Panel with hidden controls
- Premium Stainless Steel Finish
- Stainless Steel XL Tub
- Nylon Coated Racks and Tines with rounded tips

ENERGYSTAR® qualified models exceed the Department of Energy standards for energy consumption by at least 25%. LG's Energy Star dishwashers allow consumers to save money, energy and protect the environment.

DISHWASHERS

Fully Integrated LED Control Panel

Provides a beautiful exterior appearance. Electronic controls ensure precise cleaning for safe dish care.

IllumiTub™ Dual LED Tub Lights

Two interior LED tub lights illuminate the inside of the tub, clearly showing that glasses and dishes have been cleaned. Now it's easy to see what is inside the dishwasher, especially at night.

Dual Intensity™ Wash Cycle

Three levels of intensity (high, medium, low) can be customized for the upper and lower racks for each wash cycle. So you can run a cycle with pots and pans in the lower rack on high and delicate stemware in the upper rack on low at the same time.

*Water simulated.

DuraGlide™ Gliding Upper Rack

Premium quality rack smoothly glides with less noise and friction whether it's fully loaded or empty.

Signalight™ LED Cycle Indicators

Exterior LEDs beautifully and simply indicate which wash process is in use. Blue LED indicators match the cycle in use: wash, rinse, and dry. When the final cycle is completed the finish indicator will illuminate in green for four minutes.

Premium LoDecibel™ Quiet System

One of the quietest dishwashers in the industry with built in food disposer. You can talk on the phone or listen to TV or the radio in your kitchen while the dishwasher is running. A combination of sound reducing material and the Direct Drive Motor ensures very low noise.

Slim Direct Motor

Delivers power directly to the tub from the motor without belts or pulleys. This innovative system enables a clean transfer of energy that is highly reliable, durable, quiet and compact.
