- Heavy-Duty Gliding Rack, Split Rack, and Full Racks with 7 positions
- GoCook™ Oven Light
- 12 Hr Automatic Shut Off
- Self-Cleaning

● Stainless Steel (ST)

LG
Life's Good

LSRG309ST

Premium Free Standing Gas Range

Large Capacity

With one of the largest oven capacities available, at 5.4 cu. ft., LG's gas ranges provide more space for cooking large meals.

High Heat Cooking

UltraHeat™ is one of the most powerful burners available in a free standing range. LG's UltraHeat™ 19K BTU burner enables you to bring large amounts of water to a rapid boil resulting in faster cooking time.

Premium Convection System

This feature delivers the ideal temperature and airflow needed for faster preheating and more precise cooking.

- **Convection Bake** provides even heat distribution and results when baking simultaneously on multiple racks.
- **Convection Roast** is great for large, tender cuts of meat because heat circulates evenly around all sides for thorough cooking.

Installation Reference
