Interactive Electronic Program Guide Data Service for Pro:Centric® TVs!

PLAN HIGHLIGHTS

If your property has purchased or plans to purchase LG's Pro:Centric® TVs, you qualify for a free Electronic Program Guide (EPG) that allows guests to easily navigate TV channels and programs - just like they do at home.

Participating properties must purchase and install a Pro:Centric server and supply an internet connection for daily program updates. Properties must also contract with an LG authorized partner to install and program the server to match your Free-to-Guest (FTG) channel lineup and to provide ongoing service and maintenance.

FREE program guide service runs until December 2017 replacing the current programming fee of \$1.50 per room per month.
