One Click Stand / Edge-ArLine Stand Design

21:9 CURVED ULTRAWIDE™ QHD ON IPS DISPLAY

21:9 Curved UltraWide™ QHD (3440*1440) display offers wrap-around field of view on a wide screen real estate. With IPS display, visual comfort is guaranteed while ensuring vivid and accurate color expression.

SPLIT SCREEN

Screen Split divides the display into multiple sections for different tasks by resizing the windows on the screen. The free downloadable LG OnScreen Control software allows several different split-screen configurations.

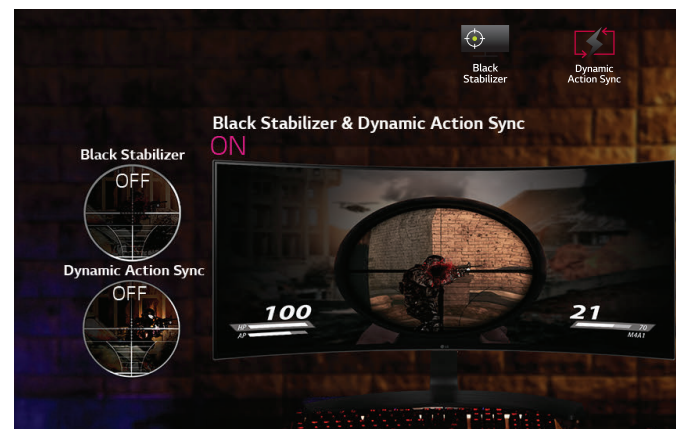

FLICKER SAFE AND READER MODE

Eye fatigue is a major concern when working overtime on the computer. LG's almost zero flicker technology and Reader mode that reduces blue light emissions allow you to work more comfortably for long periods of time.

BLACK STABILIZER

Black Stabilizer is especially useful to detect objects including enemies that are hiding in dark areas. Dynamic Action Sync allows you to attack enemies faster with less lag time.

 **HDR** HIGH DYNAMIC RANGE

To more fully realize content creators' vision, this monitor is compatible with industry-standard HDR10 high dynamic range, supporting specific levels of color and brightness that exceed the capabilities of ordinary monitors.

 **ONSCREEN CONTROL**

OnScreen Control allows you to easily customize monitor settings with a few clicks of a mouse. Moreover, My Display Presets included within OnScreen Control offers customized picture mode for specific software. It has automatically applied to picture mode you already preset.

 **VIVID COLOR EXPRESSION**

You are guaranteed an immersive artwork by perceiving the same color as a subject on display or RGB color code through a sRGB 99% color space and IPS's accurate color expression. Since 21:9 UltraWide™ monitor is conducted the color calibration tests at the production line, its color accuracy is guaranteed.

 **CREATE YOUR OWN COMFORT ZONE**

The newly designed ergonomic stand can be installed quickly and easily without the need for tools, and the tilt is adjustable for your comfort.
