## Sending a Text Message

Keep in touch without even making a phone call!
With text messaging, you can communicate discreetly,
efficiently, and seamlessly.

1. Slide open the phone, and press **OK**.
2. Enter a phone number or e-mail address, or press the
   **Right Soft Key** to choose someone from your contacts
   or recent calls, then press **OK**.
3. Enter your text message.
4. To enhance your text message with graphics, sounds, or
   animations, press the **Right Soft Key** for **Options**, then
   select **Add (1)**.
5. Press **OK** to send.

## Sending an Instant Message

Chat in real time just as you would on your computer! With the QWERTY keyboard, you can IM in a flash.

1. Slide open the phone and select **Instant Messaging (2)**.
2. Press OK to accept the Terms of Use.
3. Highlight your preferred IM service provider, then press OK.
4. Enter your screen name/ID and password, then press OK twice.
5. Highlight a contact that is online and press OK.
6. Type a message and press OK twice.

## Transferring Music

Keep your favorite songs on hand – and in your pocket – with Scoop! Store up to approximately 960 songs using an optional 4GB microSD card.*

1. Insert your microSD card into the memory port with the gold contacts facing down.
2. The first time you transfer music, you must format the card. Press 🔘, then select **Settings (9)** > **Memory (8)** > **Card Memory (3)**.
3. Press the **Right Soft Key** for **Format**, then select **Yes (1)**.
4. Connect a USB cable* from the phone to your PC.
5. The PC will recognize the phone as a Removable Disk and a screen will appear. Drag and drop music files on your PC into the **My_Music** folder.
6. When you are finished, disconnect the phone.

*Sold separately.*

## Playing Music

Get in the groove with Scoop's integrated music player.*
Forget carrying around a separate device – this phone
has it all!

1. Insert a microSD card containing music with the gold
   contacts facing down.
2. Press **left** on the Navigation Key, then press 🔘.
3. Choose a category, then press 🔘.
4. Select the song you want to hear and press 🔘 to begin
   playing it.
5. Use the side **Volume Keys** ◀▮▶ to adjust the volume
   when a song is playing.
6. Press ◀ or ▶ on the Navigation Key to go to the previous/
   next song. Press ▲ or ▼ to view your song list.
7. Press 🔴 to exit the music player.

*microSD card required. Sold separately.*

## Bluetooth® Pairing

Chat hands-free or exchange contact information wirelessly. Thanks to Bluetooth, you'll never have to bother with cords or wires again!

1. Set your Bluetooth accessory into pairing mode.*
2. Press 🔘, then select **Bluetooth (7)** and **Paired Devices (1)**.
3. Press the **Left Soft Key** for **Search**. When prompted to turn on Bluetooth, press 🔘.
4. Press 🔘 to begin a new search.
5. Once the Bluetooth device has been found, highlight it and press 🔘.
6. Enter the passcode* (typically "0000" – 4 zeroes) and press 🔘.
7. Press 🔘 to connect with the device.

*Refer to your Bluetooth accessory's user manual for information about initiating pairing mode and the passcode.
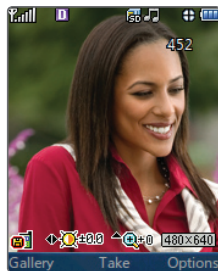

## Taking a Picture/Recording a Video

Capture the action right as it happens. With Scoop's 1.3 megapixel camera and camcorder, you'll always be ready!

1. To take a picture, press and *hold* the 📷 **Key**. To record a video, quickly press 📷 and select **Record Video (2)**.

2. Press **left** or **right** on the Navigation Key to adjust the brightness and **up** or **down** for zoom.\* Press the **Right Soft Key** to adjust other camera/video options.

3. Press 📷 to take the picture or start/stop recording.

4. To send your picture/video, press 🔘.

*\*Camera setting of 1280x960 does not support zoom function.*
