AT&T Mobile TV

Tune in 24/7 for full-length, broadcast-quality episodes of your favorite TV shows on the networks you love.

- 1. From standby mode, press the W Key.
- 2. An introductory video clip will play the first time you access this feature.
- 3. Press 😂 to select **Subscribe Now**.
- After reviewing the base package, press the Left Soft Key for Continue.
- 5. If you agree to the Terms of Service, press the **Right Soft Key** for **Agree**.
- 6. Press the **Left Soft Key** for **Submit** to confirm your selection.
- 7. The TV player will launch. You can access the Program Guide to see what's playing.

Note: All programming subject to change. All sports programming subject to blackout restrictions. Images shown on this page are generic and not representative of the service.

AT&T Mobile Music

AT&T Mobile Music provides the ultimate music experience. Listen to your favorite music, watch the latest music videos, and stay in the know with music news and more.

- From standby mode, press the Left Soft Key for Menu and select AT&T Music (6).
- Browse and select music from leading digital music stores like Napster[®] and eMusic[™] with Shop Music.
- 🎵 Listen to your music on an integrated **Music Player**.
- Enjoy dozens of commercial-free music stations with XM Radio.
- 🎵 Watch the latest music videos under Music Videos.
- Personalize with ringtones and Answer Tones[™] under Shop Music.
- 🎵 Instantly ID the title and artist of a song with **MusicID**.
 - Get the latest music news, charts, and concert info from **The Buzz**.

*microSD card and USB data cable sold separately; go to att.com/wireless.

Steps may vary depending on Windows Media Player version. **Warning! Do not disconnect phone while file transfer is in progress.

Requirement: Windows Media® Player 10 or higher. Not compatible with Mac OS or iTunes.

Transfer Music

Your phone is not just for talking. You can also listen to music from your favorite artists on your phone. Transfer your favorite tunes today.

- 1. Make sure your music is in MP3, WMA, AAC, AAC+/eAAC+, or RA format.
- Insert the microSD[™] card* (gold contacts facing down) into the port on the left side of the phone.
- 3. Connect the phone to your PC using a USB data cable.*
- 4. Once the Portable Device screen pops up on your PC, select the second option and click **OK**.
- From within Windows Media Player, songs will populate the left side of the screen. Your CB630 Music Sync Player should be the destination for the songs on the right side of the screen.
- Check/drag** songs to be transferred, then click the Start Sync button.
- When finished, unlock the phone and press the Right Soft Key to exit music sync. Select Yes, and then disconnect the USB cable.

Play Music

Listen to music from your favorite artists right on your phone. To listen to music that you have transferred to your phone, follow these quick and easy steps.

- Insert the microSD[™] card* (gold contacts facing down) into the port on the left side of your phone.
- From standby mode, press the Left Soft Key for Menu, then select AT&T Music (6) and Music Player (1).
- Select All Songs (1), Playlists (2), Artists (3), Albums (4), or Genres (5). With a song selected, press .
- Press Stopping to play/pause. Press up or down on the Volume Keys to adjust the volume. Press left or right on the Navigation Key to skip to the previous or next song.
- 5. Press the **Left Soft Key** for **Minimize** to access other phone functions while music is playing.
- 6. Press the **End Key** to exit the music player.

*microSD card sold separately; go to att.com/wireless.

CV brings your phone to life. Watch news, sports, weather, and entertainment clips while on the go.

- From standby mode, press the Right Soft Key for Options, then select CV - Video (3) from this customizable menu.
- 2. Once connected, highlight the video clip you want to play and press 😂.

Personalize your CV Home Page

- 1. From the CV home page, press $\textcircled{\otimes}$ to select **EDIT**.
- 2. Select the content you would like added or deleted from your CV home page and press 🍔.

Camera/Video

Capture everything around you in vivid detail via the 1.3 megapixel camera with video and share it instantly.

Take a Picture

- 1. From standby mode, press the 🙆 Key.
- Press left or right on the Navigation Key to adjust the brightness and up or down to zoom.*
- Press € to take the picture. Press the Left Soft Key to send it to someone.

Record a Video

- 1. Press and hold the **O** Key, then select Record Video (2).
- 2. Press € to start/stop recording.

*Camera setting of 1280 x 960 resolution does not support zoom.

Note: From standby mode, press **left** on the **Navigation Key** to see your pictures and videos.

Video Share[™]

Share events the moment they happen. Video Share lets you stream live video directly to friends and family.

Make a Video Share Call

- 1. Dial the 10-digit number of another 3G Video Share capable device.*
- 2. Once the call is answered, press the 🙆 Key to initiate a Video Share session.

Accept a Video Share Call

- When receiving a Video Share call, the name or number of the person who wants to share video with you will appear on your screen.
- 2. Press the **Left Soft Key** for **Accept** and the Video Share session will begin automatically.

To end a Video Share session and continue with the phone call, press the **Left Soft Key** for **Stop**.

*Video Share is not available in all markets. Both parties must be in a 3G service area – a 3G icon must appear by the signal bars prior to a call being placed, and both parties must remain in the 3G coverage area for the duration of the Video Share session.

Disconnect

Options

New

Bluetooth®

Connect wirelessly to headsets, speakers, computers, and more with Bluetooth technology.

- 1. Place your Bluetooth accessory into pairing mode.*
- 2. From standby mode, press the **Right Soft Key** for **Options** and then select **Bluetooth (2)**.
- 3. Select Search New Device (3).
- 4. If Bluetooth is off, press € to turn it on.
- Highlight your device and press €. Enter the passcode* (typically "0000" – 4 zeroes) and press €.
- 6. Select Yes (1) to connect to your device.

*Refer to your Bluetooth accessory's user guide for information about initiating pairing mode and the passcode.

Mobile Email

Take your email with you. With Mobile Email, you can quickly and easily access your email if your account is with one of these providers: Yahoo![®], AOL[®]/AIM, AT&T[®] Yahoo!, and Windows Live[™] Hotmail.

- 1. From standby mode, press the **Right Soft Key** for **Options** and then select **Mobile Email (4)**.
- 2. Press 😂 to select your service provider.
- 3. Enter your Screen Name/ID or Email, followed by your Password. Then press the Left Soft Key for Sign In.
- Select a message and press € to download its contents.
- Press Sto delete the message, or press the Left Soft Key for additional options.

All providers may not be available on all devices. Yahoot and the Yahoot logo are trademarks and/or registered trademarks of Yahoot Inc. ADL, America Online and the Triangle Logo are registered trademarks of America Online. Windows Live and the Windows logo are either registered trademarks or trademarks of Microsoft Corporation in the United States and/or other countries.

Trademarks are property of their respective owners.

Instant Messaging

If you subscribe to an IM service such as AIM[®], Windows Live[™], or Yahoo![®], you can take the fun of IM on the go with your wireless phone.

- 1. From standby mode, press **right** on the **Navigation Key**.
- 2. Press € to select an IM community, then choose **Sign In (1)**.
- Enter your Screen Name/ID or Email, followed by your Password. Check the Auto-Sign In box to be automatically connected in the future. Press the Left Soft Key for Sign In.
- 4. Select a contact currently online and press .
- 5. Enter your message, and then press € to send.
- 6. To end, press the **Right Soft Key** for **Options** and select **End Conversation (6)**.

Note: When you receive an incoming instant message, a "new message" icon similar to this one image will appear on the screen.

Trademarks are property of their respective owners.
