

AX155

Compact Color Phone

The AX155 is so lightweight and compact that you can drop it in your shirt pocket or carry it in a small clutch for a night out on the town. Need to connect quickly with family or friends to check on your plans? Use voice-activated dialing and the one-touch speakerphone to make your call while on the go. And, if you need to send an important reminder, you can text a message up to 1,600 characters or record a voice memo for yourself to do it later.
