Make a powerful fashion statement with the stylish LG Lotus. With its full QWERTY keyboard and 1-touch text messaging, you can look good while staying “in the know.” A large internal LCD displays the coolest social networking and other popular sites in full view. Plus, you can share contacts and events with others via Bluetooth to satisfy the social butterfly in you. Snap rich photos of your inner circle with the 2 megapixel camera or record video at your favorite party, too. This show stopper will be sure to turn heads.
