

DON'T JUST GRAB THE SPOTLIGHT. CREATE IT!

AUDIENCE

You have standout style; you aren't just a trend-follower, but a trend-setter. You have a lot to keep up with, and need a phone that can too. You think for yourself—and you're all about self-expression. Your social networks are your second home, and using them on the go is your first priority. And since the dLite won't break the bank, it's a phone your Mom and Dad will love too.

ATTRIBUTES

Friends, clothes, food, activities—you choose 'em all carefully, because they make you you! And so should your phone. Shouldn't it be as fun and unique as you are? That's why dLite has a customizable LED display and secret lighting so you can flaunt your fashion with every call or alert. And of course it has all your favorite ways of staying in touch, like text messaging, IM, email, as well as easy access to social networks, because when you have something to say, you want to let your world know.

DAZZLING LIGHTS

Activate a demo for the LED display by entering **1*759#**. To stop it, enter **0*759#**.

ADVANTAGES

LIGHT UP THE NIGHT, DAZZLE IN THE DAYTIME

Showcase your personality by customizing the external LED display for calls, contacts, and more—choose from text and preset patterns, or create your own.
