

LG PRIME™

Sleek and solid, fun and functional, LG Prime™ has all the capabilities you need in a compact phone to enhance your mobile experience. Take pictures or video of family and friends using the 2.0 megapixel camera & camcorder, or listen to the radio with the built-in FM tuner. Use *Bluetooth*® wireless technology to share your pictures and videos, listen to music in stereo, or talk hands-free. Keep track of chats with your favorite contacts using the conversation view text messaging feature. Then, with the microSD™ memory slot you can use a 16GB microSD card (sold separately) and save all the memories you create in one place. LG Prime — the ideal phone for staying conveniently connected and in touch with style.
