Do you continually need to reach your clients and colleagues at a moments notice? Great news, with LG GU292, you can! Instantly speak with up to 7 people with Push to Talk and you can even use *Bluetooth*® wireless technology to talk hands-free while on a PTT call. Get organized and stay in touch with conversation view text messaging that lets you see your messages in time order by contact. While on your way to a meeting, use AT&T Navigator to keep track of your location and get the latest traffic updates. At the end of a long day, relax by listening to your favorite tunes with AT&T Music. Instant connections and supreme organization — LG GU292 has everything to keep you at the top of your game.
