

LG300

Bluetooth® Camera Phone

The stylish and compact LG300 is small enough to fit in your back pocket, but packed with all of your favorite fun features. While on-the-go, activate your speakerphone with just a touch or use voice command and Bluetooth® to dial and talk hands-free. Take a picture and instantly send it to your friends. Check out the cool wallpaper shuffle to continuously rotate your favorite photos on your phone's display.
