

What more could you want in a mobile phone?

It captures 15-second video clips and still photos indoors and out. It understands voice commands no matter who's talking. And its full-duplex speakerphone frees up an extra hand for driving, note-taking or working on the computer.

► KEY FEATURES

-  VGA Camera/Camcorder with Digital Zoom & Flash
-  Record 15-Second Videos
-  Speaker-Independent Voice Recognition
-  Speakerphone

All product and service marks contained herein that are not LG Electronics, Inc. proprietary marks are the trademarks of their respective owners. LG Electronics, Inc. makes no claim to such properties. Phone features and specifications are subject to change without prior notice. The use of non-LG approved accessories will void the warranty and may result in damage to the phone, the phone exploding, or other dangerous conditions. Battery talk and standby times are estimates only. Use of certain features and other conditions including, but not limited to, battery age and condition, charging habits, temperatures to which the battery is exposed, and use in digital mode will cause actual standby and talk time to vary. The amount of talk time used will impact the standby time. In the same way, the amount of time that the phone is in standby mode will impact the talk time.
