Tips & Tricks

How to play music

1. From standby, and with a microSD card containing music already inserted into the phone, press left on the Navigation Key.
2. Press Ok for Music
3. Press OK for All Songs
4. With the first song highlighted, press OK.
5. Increase the volume by pressing up on the Volume key
6. Press right on the Navigation Key to advance to the next song.

How to pair with Bluetooth devices

1. Place the device you wish to pair with into pairing mode.
2. On the Rumor, press OK to enter the Main Menu.
3. Press 9 to select Settings/Tools.
4. Access the Bluetooth menu by pressing the number 6.
5. Press OK to turn on Bluetooth.
6. With <Add New> already highlighted, press the OK key.
7. Press OK to begin searching for Bluetooth devices.
8. With your device highlighted, press the OK key.
9. Press OK again to select Add to Trusted.
10. In order to pair, you must enter 0-0-0-0 as the PIN code, then press OK to pair.
11. Press OK once more to save the name of your device.
12. With the device highlighted, press OK again to begin the connection process, then press OK to connect.
