WELCOME AND THANK YOU FOR CHOOSING VERIZON WIRELESS

You're now connected to the power of America's best, most reliable wireless network.* This guide will help you understand your new wireless phone and all the things you can do with it.

For more details, please refer to the User Guide. If you ever have any questions and would like to access an online Q&A, please visit us online at **verizonwireless.com** and check out How to Use Your Phone.

Don't forget to give the enclosed CD a whirl to see all the great things your new device and service can do. You'll also get a glimpse of all the benefits that come with using Verizon Wireless.

WELCOME CD-ROM

Getting the most out of your wireless device couldn't be any easier than with the enclosed CD-ROM. You'll learn everything you need to know about setup, Get It Now® with V CAST, available features and more.

*Network details at **verizonwireless.com**

WORRY-FREE GUARANTEE®

1. You'll enjoy America's best, most reliable wireless network* in the palm of your hands.
2. You'll have a plan that changes to fit your life. Your plan comes with the option to change to any qualifying Calling Plan or airtime promotion, anytime you want.

Note: You won't pay any additional fees to change plans. Some Calling Plans require specific equipment. You become eligible to take advantage of equipment upgrades at promotional pricing during the last two months of your contract period. If you're upgrading equipment before the final two months of your contract, you may have to pay full retail price. Promotional offers will require an extension of your Customer Agreement.

3. If you ever have a problem, it becomes our problem the first time you call. No runarounds, no hassles. If your issue can't be resolved during the course of your first call, we'll take the responsibility of getting back to you with an answer.
4. You can get a free phone every two years with New Every Two®. Sign up for and maintain two years of service on a digital plan of \$34.99 or higher to qualify for a free phone up to a \$50 or \$100 value, depending on the monthly access of your plan, or receive a credit of the same amount toward the purchase of a more expensive phone. A 2-year renewal is required.
5. Try out your plan for 15 days. We guarantee that you'll be happy. If for any reason you're not, you have 15 days to return or cancel any product or plan you get from Verizon Wireless. You pay only for the service you use.†

†30-day satisfaction guarantee in California.

*Network details at verizonwireless.com. Also see the Worry-Free Guarantee brochure and our Return/Exchange Policy for details.

Note: Certain conditions and restrictions apply. See store for details. Annual Customer Agreement required. **3**

OVERVIEW OF GET IT NOW WITH V CAST

Find out how fast you can get into the action with Get It Now with V CAST.

Send Picture and Video Messages to friends and family.

Personalize your phone with new ringtones and cool wallpaper.

**Keep up-to-date with the latest news, weather and sports —
all in streaming video.**

Add another dimension to your gaming when you play in 3-D.

Jam to your favorite songs on the go.

All this and more, right at your fingertips with Get It Now with V CAST.

MESSAGING & CHAT

Let your thumbs do the chatting. Get It Now® with V CAST gives you four EZ ways to talk without talking. With all these options, the next time you have something to say, save your breath and just send it.

Sometimes a word is all you need to say. TXT Messaging* makes this possible. It's a great way to send and receive short messages between friends and family — all without saying a word.

Turn your phone into a mobile mailbox. With getE-MAIL, you can check your Yahoo!®, MSN® Hotmail® and America Online® accounts when you're on the move — all without using a computer.

*Not available everywhere. TXT Messaging charges apply per your calling plan. Monthly plans are available. Higher rates apply for international TXT Messages. See product brochure for coverage information and complete terms and conditions.

Now you can talk to your friends, without actually talking. Welcome to instant messaging (IM). Choose from MSN® Messenger Service, AOL® Instant Messenger™ and Yahoo!® Messenger — all on your phone.

Messaging alerts charged at Calling Plan rates. Not available in all areas. See product brochure for details.

Learn to look at your phone's screen in a way you never imagined. Take pictures or even record up to 15-second Video Messages that you can send to virtually any e-mail address. Let your phone become the ultimate media tool with getPIX&FLIX.

Not available everywhere. Compatible device required. Airtime and messaging charges apply. Monthly plans are available. See product brochure for coverage information and complete terms and conditions.

TONES & FUN

Customize your wallpaper. Get the coolest ringtones. Or simply save the world. Now your wireless phone is packed with tons of cool stuff to keep you entertained, anywhere you go.

Personalizing your phone sure has a nice ring to it. Choose from a wide variety of ringtones of current hits in pop and hip-hop. Or even some of your favorite '80s classics. You can even assign a different ringtone to each person in your address book, so you'll always know who's calling.

Classic. Sports. Action. Casino. Movie. Puzzle. What's your gaming pleasure? However you like to play, Get It Now® with V CAST makes sure the fun never stops with exciting games like Precision Pinball®, FOX Sports NFL, Tetris® and many more.

Give your phone an interior decorating job and put up some new wallpaper. Download your favorite design and presto — your phone matches your shirt. It's your same phone, but with a brand-new look.

Ringback Tones

Assign your friends and family preselected songs to hear instead of a ring. Now, before you pick up, they can jam out. Whether it's golden oldies for mom and dad or that goofy theme song for your best friend, Ringback Tones will keep everyone entertained. To sign up, preview and assign Ringback Tones, go to www.verizonwireless.com/ringbacktones.

NEWS & INFO

With Get It Now with V CAST, you'll have access to Mobile Web 2.0, getALERTS and getGOING. Find the news you want or have it come to you — all on your wireless phone. Now, a few seconds is all it takes to get up-to-the-minute information.

Your new phone can put a world of information right at your fingertips. Get the latest news, stock quotes and movie listings. To start browsing, launch your phone's web browser.

Microbrowser does not provide full web browsing. Service is not available in all areas.

With TXT Alerts, you'll always know what you need to know. Get the score as soon as the game is over. Get the weather before it starts raining. Go to vtext.com to sign up.

Messages/alerts charged according to your Calling Plan or TXT Messaging Plan rates.

Everything you need to know while you're on the go. Find a great restaurant or the nearest ATM.

V CAST Music Frequently Asked Questions

- Q.** Are iPod® and iTunes® music files compatible with my V CAST Music-capable phone?
- A.** No. Only music imported from a CD via Windows Media™ Player 10, purchased from the V CAST Music service or other purchased Windows Media formatted music are compatible.
- Q.** What are the system requirements?
- A.** To access the V CAST Music Online Store from a PC or to transfer music from your PC to a Verizon Wireless V CAST Music phone, you will need both the Windows® XP operating system and Windows Media Player 10. V CAST Music is not compatible with Mac OS X®.
- Q.** How can I transfer purchased music from my PC to my V CAST Music phone?
- A.** Music can be transferred using your V CAST Music phone's USB cable.
- Q.** Where can I store music if the memory on my phone is full?
- A.** Music can also be stored to a compatible external memory card. External memory cards should only be used for storage and not for transferring files.
- Q.** If I delete a song which I purchased from my V CAST Music phone, how do I retrieve the song later?
- A.** Whenever you purchase a song directly from your V CAST Music phone, you also receive as part of that purchase a second, higher quality copy of the song sent to your account on the V CAST Music Online Store. Please download this song file to your online music library, and re-sync the song to your V CAST Music phone using a phone-compatible USB cable and Windows Media™ Player 10.
