SpeedTalk℠ Phone

No dialing. No phone tag. Just press and talk. SpeedTalk℠ walkie-talkie service makes it easy for you to connect with your spouse, friends or a group of people instantly, with just a touch of a button. On-the-go? With one-touch speakerphone, speaker-independent voice recognition, and large forward-firing speaker, you can multitask while communicating loud and clear. You can check weather, access e-mail, and more with **easy**edge℠ capabilities — allowing you to always stay in touch!

†U.S. Cellular service required. SpeedTalk calls may only be made with other U.S. Cellular SpeedTalk subscribers. SpeedTalk coverage is only available in the U.S. Cellular enhanced services area. While you are on SpeedTalk, your wireless calls will go directly to voice mail. If you roam outside of U.S. Cellular's enhanced services coverage area, you will not be able to place or receive a SpeedTalk call.

Product features subject to change. Features based on carrier program availability.

easyedge℠: There are additional charges related to the purchase and downloading of products from the **easy**edge℠ Shop. Service Agreement and U.S. Cellular approved phone required for **easy**edge plans. **easy**edge is a service mark of United States Cellular Corporation. All rights reserved.
