

VX5400

Bluetooth® Camera Phone

The new VX5400 by LG is a mobile mainstay with a twist. Featuring all the essentials, it's also Bluetooth capable to take advantage of the wonders of wireless. The VGA camera is perfect for photos on the fly, and the large color display and keypad defy its compact design. The one-touch speakerphone and speaker-independent voice command functions round out the package, making mobile more convenient than ever. The VX5400. A simple solution for a complex world.
