## ▶ GETTING STARTED

The following shows key components of your wireless phone.

---

## **WELCOME AND THANK YOU FOR CHOOSING VERIZON WIRELESS**

You're now connected to the power of the nation's most reliable wireless network.\* This guide will help you understand your new wireless phone and all the things you can do with it.

For more details, please refer to the User Guide. If you ever have any questions and would like to access an online Q&A, please visit us online at **[www.verizonwireless.com](http://www.verizonwireless.com)**, and check out How to Use Your Phone.

Don't forget to give the enclosed CD a whirl to see all the great things your new device and service can do. You'll also get a glimpse of all the benefits that come with using Verizon Wireless.

---

## **WELCOME CD-ROM**

Getting the most out of your wireless device couldn't be any easier than with the enclosed CD-ROM. You'll learn everything you need to know about setup, Get It Now<sup>®</sup>, available features and more.

## WORRY-FREE GUARANTEE®

1. You'll enjoy the nation's most reliable wireless network in the palm of your hands.\*
2. You'll have a plan that changes to fit your life. Your plan comes with the option to change to any qualifying Calling Plan or airtime promotion, anytime you want.

Note: You won't pay any additional fees to change plans. Some Calling Plans require specific equipment. You become eligible to take advantage of equipment upgrades at promotional pricing during the last two months of your contract period. If you're upgrading equipment before the final two months of your contract, you may have to pay full retail price. Promotional offers will require an extension of your Customer Agreement.

3. If you ever have a problem, it becomes our problem the first time you call.  
No runarounds, no hassles. If your issue can't be resolved during the course of your first call, we'll take the responsibility of getting back to you with an answer.

4. Why pay for a new phone when you can get one for free every two years with New Every Two®? Just sign up for and maintain two years of service on a digital plan of \$34.99 or higher, and you'll be qualified for a free phone (up to a \$100 value), or \$100 toward the purchase of a more expensive phone with a two-year renewal.
5. Try out your plan for 15 days. We guarantee that you'll be happy. If for any reason you're not, you have 15 days to return or cancel any product or plan you get from Verizon Wireless. You pay only for the service you use.

Note: Certain conditions and restrictions apply. See store for details. Annual Customer Agreement required.

\*See [www.verizonwireless.com/bestnetwork](http://www.verizonwireless.com/bestnetwork) for network claim details. Also see the Worry-Free Guarantee brochure and our Return/Exchange Policy for details.

## GETTING STARTED

Keep the power flowing. Here's everything you need to know about your battery.

### ■ **Installing the Battery**

To install the battery, insert the bottom of the battery into the opening on the back of the phone. Then push the battery down until the latch clicks.

### ■ **Removing the Battery**

Turn the power off; push up the release latch to detach the battery.

### ■ **Charging the Battery**

To use the charger provided with your phone:

## OVERVIEW OF GET IT NOW

Find out how fast you can get into the action with Get It Now.

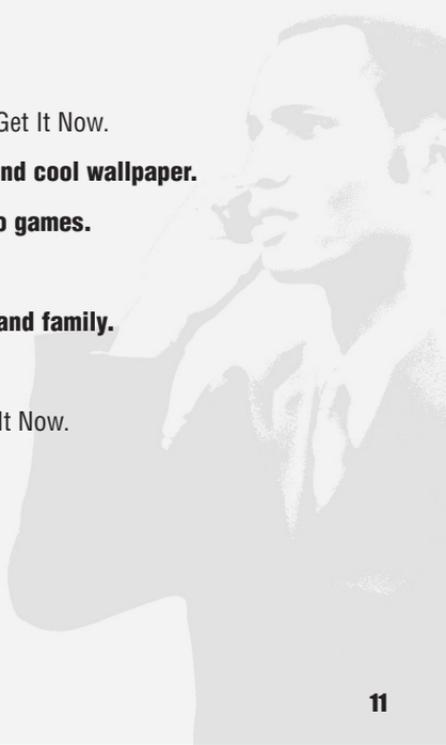

**Personalize your phone with new ringtones and cool wallpaper.**

**Be a hero playing some of your favorite video games.**

**Keep up-to-date with the latest news.**

**Send picture and video messages to friends and family.**

All this and more, right at your fingertips with Get It Now.

## MESSAGING & CHAT

Let your thumbs do the chatting. Get It Now gives you three EZ ways to talk without talking. With all these options, the next time you have something to say, save your breath and just send it.

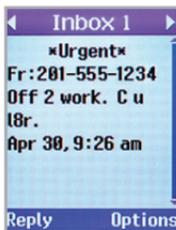

Sometimes a word is all you need to say. TXT Messaging makes this possible. It's a great way to send and receive short messages between friends and family, all without saying a word.

Turn your phone into a mobile mailbox. With getE-mail, you can check your Yahoo!®, MSN® Hotmail® and America Online® accounts when you're on the move — all without using a computer.

Now you can talk to your friends, without actually talking. Welcome to instant messaging (IM). Choose from MSN® Messenger Service, AOL Instant Messenger™ and Yahoo!® Messenger — all on your phone.

Messaging alerts charged at Calling Plan rates. Not available in all areas.

## FUN & GAMES

Find the hottest nightlife. Get the coolest ringtones.  
Or simply save the world. Now your wireless phone is packed with tons of cool stuff to keep you entertained, anywhere you go.

The fun never stops with exciting games like Precision Pinball®, FOX Sports NFL, Tetris® and many more. They're easy to download and conveniently broken down by category for quicker reference.

Personalizing your phone sure has a nice ring to it. Choose from a wide variety of ringtones of current hits in pop and hip-hop. Or even some of your favorite '80s classics. You can even assign a different ringtone to each person in your address book, so you'll always know who's calling.

Everything you need to know while you're on the go. Find a great restaurant or the nearest ATM.

Applicable download fees and airtime charges may apply.

Applications vary by phone model.

Coverage and service not available everywhere.

All brand and product names not owned by Verizon Wireless are the property of their respective owners.

## NEWS & INFO

With Get It Now, you'll have access to getWEB and getALERTS. Find the news you want or have it come to you — all on your wireless phone. Now, a few seconds is all it takes to get up-to-the-minute information.

Your new phone can put a world of information right at your fingertips. Get the latest news, stock quotes and movie listings. To start browsing, launch your phone's web browser.

Microbrowser does not provide full web browsing. Service is not available in all areas.

With TXT Alerts, you'll always know what you need to know. Get the final score as soon as the game is over. Get the weather before it starts raining. Go to [www.vtext.com](http://www.vtext.com) to sign up.

Messages/alerts charged according to your Calling Plan or TXT Messaging Plan rates.

## FLIX & PIX

Learn to look at your phone's screen in a way you never imagined. Pick out wallpaper, view pictures or even watch video clips. Let your phone become the ultimate media tool with Flix & Pix.

Why not use your phone as a photo gallery? With getPIX, you can use your phone to take pictures, view pictures and download images for your screen.

Open your phone up to the world of video. With getFLIX, you can record up to 15-second Video Messages that you can view on your phone's screen and send to virtually any e-mail address.

Additional charges apply. See product brochure for details.

Give your phone an interior decorating job and put up some new wallpaper. Download your favorite design and presto — your phone matches your shirt. It's your same phone, but with a brand-new look.

Applicable download fees and airtime charges may apply. Not available in all areas.
