

# enV<sup>2</sup>™

NEXT GENERATION MESSAGING PHONE

Get ready to join the next generation of mobile messaging with the new LG enV<sup>2</sup>. Smaller, slimmer, and sleeker than ever, the phone features large external keys and an easy-to-use QWERTY keyboard that make dialing and texting a snap. Advanced messaging features like auto text readout, message sort, and the ability to store up to 300 text messages enhance the experience. The larger internal display, along with Bluetooth® stereo support, a music player, and a 2.0 megapixel camera/camcorder keep you perfectly entertained, and with a microSD™ memory port, you can save all your favorites. Small on size and big on style, you'll give the new LG enV<sup>2</sup> two thumbs up!
