

LG enV TOUCH

MULTIMEDIA MESSAGING POWERHOUSE

Designed for your most discriminating customers, the new LG enV® TOUCH combines undeniable style with an unrivaled multimedia experience. The exceptional range of leading-edge features puts the enV TOUCH in the company of the world's finest handsets.

Its bright, external touch screen measures an impressive three inches and features state-of-the-art tactile feedback. The full-size QWERTY keyboard, with widely spaced keys, accommodates the texting needs of the most demanding executives.

Revolutionary Dolby® Mobile sound brings a deep, rich and engaging listening experience that will be music to user's ears. Camera and video capabilities are also extraordinary. The sharp 3.2 megapixel camera with built-in flash features Intelligent Shot and Facial Makeover to improve the image quality. Other robust features include V CAST Music with Rhapsody®, Bluetooth® stereo capability, and HTML multi-page web browsing.

The new LG enV TOUCH is a true multimedia messaging powerhouse and once your customers get their hands on it they may never want to put it down. It has to be touched to be believed.
