New LG SteamDryer™

### TrueSteam™ Technology

LG's TrueSteam $^{\text{TM}}$  generator provides powerful, yet gentle steam for advanced cleaning performance. A functionality that is unavailable with any other brand.

## $SteamFresh^{\scriptscriptstyle\mathsf{TM}}$

LG's innovative SteamFresh™ cycle makes it possible for you to refresh and reduce wrinkles in up to 5 garments at one time, in just 20 minutes or less.

#### SteamSanitary™

SteamSanitary™ cycle refreshes and sanitizes dry items in the SteamDryer™. The SteamSanitary™ cycle kills bacteria on your clothes and is great for decorative pillows and other non-washable items.

#### ReduceStatic™

Neutralizes static electricity in normal loads by introducing steam during the final five minutes of the cycle.

## Easylron™

Evenly and lightly moistens load prior to cycle end for efficient and easy ironing.

# Intelligent Electronic Controls with LED Display and Dial-A-Cycle™

Intuitive controls allow you to 'set it and go'. You can also save your favorite dry cycle by pressing Custom Program.
