ENERGYSTAR® qualified models use at least 15% less energy than required by current federal standards. LG's Energy Star refrigerators allow consumers to save money, energy and protect the environment.

FRENCH DOOR

Sophisticated Design, Inside & Out

Only with LG's exclusive styling package will you get contoured doors, hidden hinges, and other features that present a sophisticated and refined look.

Premium Interior

The interior of the refrigerator adds to the already sophisticated styling with a wide open view, low profile shelving, and an integrated crisper and deli storage center.

4 Compartment Crisper System

Our unique design arranges the storage drawers to give you more versatility for organizing your foods and beverages. This refrigerator comes with a full width, temperature-controlled Glide N' Serve™ drawer, twin humidity-controlled crispers, and a bonus drawer that is perfect for beverage cans.

Environmentally Friendly

Most LG French Door refrigerators are Energy Star® rated, which means they use at least 20% less energy than required by current federal standards.

Cabinet Depth (LFC21770)

Designed to match the depth of your kitchen cabinets, so it'll fit right in!
