MAKES DOING LAUNDRY A BREEZE

Looking for a dryer that is quiet, can hold large loads, and adjusts the drying time for you? Look no further. This large capacity dryer, with innovative features like the Sensor Dry system and SmartDiagnosis™, will have you begging to do more laundry. The Electronic Control Panel with soft-touch buttons makes it easy to find the cycle and setting that's just right for each load.

Large Capacity (7.1 cu.ft.)

Do laundry a little less often. With 7.1 cubic feet of capacity, this dryer handles really large loads, saving you time and energy.

Electronic Control Panel with LED Display

Let us take the guesswork out of doing the laundry. With features like our LED Display indicators and soft-touch button controls, you'll find the right setting every time.

Sensor Dry System

What's worse than pulling clothes out of the dryer and finding they're still damp? Our Sensor Dry system measures the moisture levels during the cycle and automatically adjusts the drying time, to ensure you get dry laundry every time.
