IS IT A TV? OR SOMETHING BETTER?

Ever think you'd be able to access almost unlimited entertainment access to movies, shows and apps from the Internet, straight to your TV and without a computer? With LG Smart TV entertainment access on the LK550, you can. Or that you could view sports and fast action like you were actually there, in stunning detail? With its 1080p Full HD and TruMotion 120Hz refresh rate, you can have that too.

LG Smart TV

A revolutionary, easy way to access virtually limitless content, thousands of movies, customizable apps, videos and browse the web all organized in a simple to use interface.

TruMotion 120Hz

TruMotion 120Hz technology lets you see sports, video games and high-speed action with virtually no motion blur. Now your TV can keep up with your fast-moving entertainment.

WiFi[™]

Getting your LG TV connected to NetCast[™] and other online content is easy when you are Wi-Fi[™] Ready. If you have existing wireless broadband, setting it up is simple.
