with Google

 **LG**
Life's Good

T-Mobile® G2x™ with Google™ by LG was built for those who seek outstanding performance in a user experience. They consider themselves tech-connoisseurs and demand the best device on the market. Their main priorities include being the master of the office, the hero of the household, the superstar on their game-play score card... and the assurance they're looking good while doing it all.

ACCELERATED MULTITASKING

The powerful NVIDIA® Tegra™ 2 1GHz Dual-Core Processor produces exceptional performance while running multiple concurrent applications.

WICKED-FAST WEB BROWSING

With Adobe® Flash® 10.1 support, independent CPU processing and T-Mobile's 4G network, the G2x delivers an incredibly fast and rich media experience.

EXTREME GAMING

The Dual-Core Processor provides a premium gaming experience with console-quality graphics and performance as well as fast frame rates.

ADVANCED IMAGING

Video chat with a front-facing camera, snap images with an 8.0 MP rear-facing camera, capture memories with 1080p video and share them via HDMI® connectivity.

SOPHISTICATED SOUND

The first DTS® Ultra Mobile™ capable phone sets the bar for sound quality on a smartphone by presenting an unmatched HD sound experience.
