Is it a monitor? Or something better?

Introducing a monitor that will transform how you look at your computer. Shockingly vibrant colors and contrast from state-of-the-art LED backlighting. Smart innovations that bring online videos to life. Movies in HD on a monitor so slim, you might forget it's there. Get the most out of what you love online and on your computer. Discover the E50.

LED

You won't believe your eyes. Tired of dark scenes or dull colors? LG's LED technology delivers amazing clarity and color detail as well as a more energy efficient monitor compared to conventional monitors.

slim

The Slim Width of 17.5mm, which is impossible to achieve without LED technology, creates a uniquely sleek and delicate appearance that accentuates any interior.

5,000,000:1 Contrast Ratio

You won't believe your eyes. Worrying about dark scenes is a thing of the past. The mega contrast ratio of 5,000,000:1 delivers vivid colors and deep blacks.
