- 1500 ANSI Lumens
- ISF/HQV Calibration Certification
- 4,000hrs (Eco) Long Lamp Life
- 19dB (Eco) Extremely Low Noise
- Auto IRIS
- EZ Graphic User Interface
- Expert Color Control
- Dual HDMI (v1.3)

## Is it a projector? Or something better?

The LG home entertainment projector has twice the details and twice the clarity of HD for a picture that's, well, very detailed. Speaking of details, it also boasts auto, 16:9, 4:3, Cinema Zoom, SXRD Technology (for richer, more natural blacks), and the best picture quality, courtesy of Dual HDMI™ v1.3.
