

LG THRIVE™

LG Thrive™ is the perfect solution for those who want the functionality of an Android™-powered smartphone with the flexibility of prepaid billing options. Its large 3.2" capacitive touch screen is responsive and easy to customize with shortcuts to apps, favorites, and widgets. The browser provides a robust experience similar to that on a PC. Access your email on the go and keep your address book and calendar synced so you are always in the know. Boost your data connection with Wi-Fi® and connect to thousands of AT&T Wi-Fi HotSpots nationwide. Shoot sharp photos and video with the 3.2 MP autofocus camera and camcorder. Keep in touch with quick updates to your social networks. Plus, with Android Market™ you have access to thousands of free and paid apps. Stay connected and live well with LG Thrive.
