LG's SpacePlus™ Ice System is located on the inside door freeing up valuable space in the fresh food shelf compartments.

Linear  
Compressor

## CUSTOM FIT WITH ULTRA CAPACITY

This refrigerator is counter depth, designed to match the depth of your kitchen cabinets. Even with cabinet depth design, it provides 24 of cu.ft. capacity which is very close to that of many full-size refrigerators. If you're looking for a refrigerator that looks great too, you'll love that this refrigerator comes with our exterior and interior styling package.

#### Tall Ice & Water Dispensing System

The dispenser is over 12" tall, with an easy access water tap and slide out pitcher rest making it easy to fill most pitchers and glasses.

#### Premium LED Panel Lighting

LED panels located on the rear and side walls of the refrigerator provide exceptionally bright interior and saves energy.
