Is it a Blu-ray Disc player? Or something better?

If you want stunning Full HD 1080p and the unlimited possibilities of wireless streaming entertainment, you've found it with the BD570 Network Blu-ray Disc Player. With NetCast Entertainment Access and Integrated Wi-Fi Connectivity, you get thousands of movies, shows and online videos straight to your TV from your wireless Internet connection at home. This is a Blu-ray Disc player that delivers the best in HD, while setting your entertainment free in more ways than one.

Less clutter. More possibilities. Cut loose from messy wires. Integrated WiFi Connectivity allows you take advantage of NetCast Entertainment Access from any available Wi-Fi connection, anywhere in its range.

Entertainment on tap. The end of "there's nothing on." NetCast Entertainment Access lets you stream instant, and virtually endless, entertainment from Netflix, Vudu, CinemaNow, Pandora, Picasa, AccuWeather and YouTube direct to your TV from the Internet - no computer required.

Access to videos, photos and music from your home network through this DLNA certified media player. This feature brings digital entertainment libraries within easy reach to the big-screen.
