

APP-SOLUTELY SMART, APP-SOLUTELY SIMPLE.

AUDIENCE

First time smartphone users don't want a complicated phone experience. Instead, they seek quick access to things that make their lives easier—like calling the pharmacy to pick up a prescription, searching for the best pizza in town, getting directions to the new outlet mall, emailing their boss in time for the big meeting, and enjoying their favorite tunes. Busy lives require intuitive devices to keep them on the go.

ATTRIBUTES

For some customers, technology is like a foreign language, and the fear is they will find themselves lost in translation. But the hassle-free LG Optimus M, powered by Android™ 2.2 is the cure for that anxiety. It features a 3.2" touchscreen for clear viewing, Google Voice™ Actions, so tasks like online search, shopping and music are an easy voice command away, and turn by turn directions to get them wherever they need to go. What's more, Optimus M has Wi-Fi® connectivity to quickly connect to Twitter®, Facebook®, or any of your other social networks. Optimus M, absolutely smart and easy to understand.

ADVANTAGES

DIRECT CONNECT

Easy access to social networking features include texting, email, IM, blogs, streaming video and more.

MAKE IT YOURS

Android 2.2 provides easy integration with all Google™, MetroPCS, and 3rd party apps, for a fully customized user experience.

SPEAKS VOLUMES

Google Voice Actions lets you control your phone just by speaking.

AT FULL STRENGTH

The 3.2" tempered glass capacitive touchscreen with virtual QWERTY is responsive and functional.

POCKET PERFECTION

Sleek style, intuitive design, robust features, and easy to use. Simply put, it's the right choice for every first-time smartphone user.

SOCIAL CONNECTIONS

Snap photos with the 3.2 MP camera and upload to social networks without skipping a beat.
