Is it a home theater system?
Or something better?

If you want to make the most out of your HD entertainment, the LHB535 Network Blu-ray Disc Home Theater System more than delivers. Instant streaming movies, shows and music direct from your Wi-Fi connection to your TV. Full HD video and superior audio performance with Blu-ray disc. Crystal-clear, dazzling sound from state-of-the-art speakers. It's the total package.

b g WiFi n CERTIFIED®

Less clutter. More possibilities. Cut loose from messy wires. Integrated WiFi Connectivity allows you take advantage of NetCast™ Entertainment Access and BD Live from any available Wi-Fi connection, anywhere in its range.

NetCast ENTERTAINMENT ACCESS

Entertainment on tap. NetCast Entertainment Access* brings the best Internet services direct to your TV—no computer required. Instantly access movies and TV shows, news and weather and the world's largest library of HD movies in 1080p.

dlna CERTIFIED

To build a digital network, you need digital devices. That's obvious. But unless those devices are compatible, it won't be much of a network. DLNA Certified® devices work together.
