and Speed
Redefined.*

With LG, it's all possible.™

LG
Life's Good

*Experience a performance
that puts you in control.*

Imagine a world with nonstop entertainment, available anytime you want it. With the LG Volt, have the power to stream videos and browse social sites on a smartphone that delivers sharp, vivid colors all day long on its 4.7" IPS display. And while you're putting an end to dull moments, capture and share all the fun ones with the built-in 8 MP camera. But, do be warned – with great power comes great envy.

LG VOLT™

Expansive 4.7" qHD IPS Display with Durable Corning® Gorilla® Glass 2
