LG Optimus L9

Stylishly Smart. Brilliant Choice.

With a growing career, great connections and an impeccable sense of style, you're turning heads—at work, and on the social scene.

Whether you're breaking new creative ground with your latest idea or breaking in a new pair of boots in the city, you need a device that helps you organize your busy life, stay connected to your contacts, and show off your sense of style. LG Optimus L9 has a sophisticated, slim design that easily fits in your purse or pocket, and high-end features you can take with you anywhere.

No matter where you are, LG Optimus L9 lets you be yourself, and take the power of style with you.

SEE MORE, DO MORE, EXPRESS MORE.

LG Optimus L9

Be eye-catching.

See fine details of fabric swatches. Scan the latest articles on an expansive screen. Sort the results of the weekend's photo shoot in crisp, clear detail. Image matters—and with the LG Optimus L9's largest-in-class 4.5" qHD Display and Corning® Gorilla® Glass 2 protection, the images that matter to you will look as fabulous on screen as they do in real life, and it will be durable enough to handle your jet-set lifestyle.

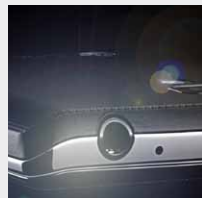

Corning® Gorilla® Glass 2 is 20% thinner and offers better touch sensitivity.

Be sophisticated.

Sleek, well-defined lines. Eye-catching metallic details. Super-slim profile. Optimus L9 is the perfect companion for the style-conscious and fashion-forward. At .36" slim, it easily slips into your pocket or purse. And with high-end design features like a premium exterior, beveled edges, and watch-inspired side elements, it looks just as good when it's out on display.

At only 0.36" thin, the Optimus L9 is beautiful and comfortable to handle.

Be expressive.

Combine photos and hand-drawn details to quickly sketch and share ideas. Send a unique photographic invite with a personalized note. Draw, doodle, or write using only your finger, and make any photo or screen shot your own. You're unique. And with QuickMemo™, your photos are, too.

Quickly jot down important notes or personalize images with fun doodles.

Be unique.

Create individualized icons that are as unique as you are. Customize your control panel to your personal taste. Browse the web with one hand, or zoom in and out by tilting your phone. Android 4.0 with LG exclusive enhancements combine for a crisp, clean look and fresh new features. It's easy to use — and easy on the eyes.

Powerful Voice Input Engine: More accurately dictate entire messages with improved voice-to-text capabilities.

Notification Viewing from Lock Screen: Simply slide the Notification Bar down to see the latest notifications, no need to unlock.

Face Unlock: Use your actual face to unlock the device with facial recognition technology.

Selectively Clear Notifications by Swiping: Just swipe the one you want to get rid of.

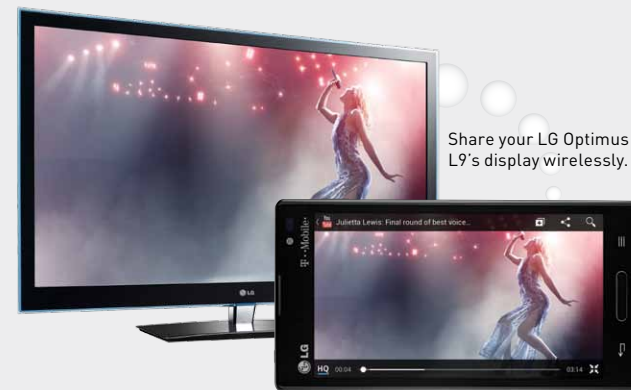

Be ahead.

Check the morning flight schedule on the shuttle to the airport. Hit the city's newest restaurant, and blog from your table. Share panoramic evening views from a rooftop cocktail party. No matter where you are—or how quickly you're moving to the next scene—you can multi-task faster with Optimus L9's powerful 1 GHz Dual-Core Processor and accelerated 4G/HSPA+ speed.

Be entertaining.

Capture your passion for entertainment in full 1080p HD. Create your own soundtrack with playback in cinematic Dolby® Mobile surround sound. Then, turn your movie into a big-screen event when you share on a larger display with SmartShare (sharing with DLNA®).

Share your LG Optimus L9's display wirelessly.

Be visionary.

Capture the startlingly beautiful street performance that stops you on the way to work. The way the sun glints off the ocean during your weekend at the beach. The store window display that catches your eye when you're out shopping. Optimus L9's 5 MP Camera with LED flash lets you snap pics of unforgettable moments anywhere, without searching for your point and shoot.

Enhanced Camera Features

• Continuous Shot captures multiple images in a row, so you can choose the best one.

- Panorama Shot lets you capture incredible panoramic views, by pressing one button and panning while the camera does the rest.
- Voice Shutter lets you take a picture by simply saying 'cheese!'

Take still shots while recording 1080p HD video.

Be memorable.

Make the scenes from your life into award-worthy films, and turn frames from any video into framable pics. True-to-life 1080p HD recording with simultaneous video/photo capture lets you turn life's most exciting moments into shareable memories.
