

Your Social Life's Best Friend.

Ever wish you had a personal assistant with you when trying to tackle all the social moments of your life? Now, you do. LG Optimus Zone grants you all the features you could want, with an innovative user experience so you can update all your social networks with the latest photos, search the web for the hottest deals and fashion tips, blast your favorite music wherever you go, and experience the latest and greatest apps from Google Play.™ It's a provider of endless entertainment and functionality, and it's waiting for you.

Everything and More Wouldn't it be wonderful to have a place where all the things you need work together in perfect harmony? LG Optimus Zone with Android™ Platform, Gmail,™ Calendar, IM, and more will take you there.

Bring it On With the expansive and clear 3.2" touch screen, complimented by a 0.47" thin profile and weighing in at only 3.88 oz., this smartphone will accompany you anywhere so you can both put your best foot forward.

Sharing is Caring You took all the pics and videos last night because you have the phone with the 3.2 MP camera with 3X digital zoom — be the hero of the night by instantly sharing them and uploading to social networks.

Power to the Max Ever wanted to do it all and do it now? Send IMs and picture messages, browse new spots on the web, and make every appointment on your social calendar with the 800 MHz processor that keeps you going and going all day long.

Take it To Go Take all the things you love with you every day — the microSD™ slot with up to 32 GB memory¹ support lets you store music, save photos, and keep anything else you need with you, fitting perfectly in any pocket.

¹ microSD cards sold separately.
