

# SLEEK GOOD LOOKS MATCHED WITH FRIENDLY USABILITY

# LG501C

“My busy life requires me to be on the go all the time. Yet, I really don't have the desire...or funds...to justify moving to a smartphone. That's why I love my LG501C. It looks cutting-edge-cool and makes it easy for me to text, make phone calls, take and share pictures, or listen to music...and best of all, I found it at the affordable price I was searching for.”
